

The DeKalb County Horseman Association will be presenting its Draft Horse Class “101” at the Solomon Farm on Saturday June 10 starting at 1 PM. The Club will be showcasing the many different breeds of draft horses explaining the origin of the draft horse breeds, a total of 11 different draft horse breeds. The club will continue its explanation of the western draft horse harness, showing how to harness the draft horse and explaining the different pieces of the harness and their purpose. There are four main parts of the harness, controlling the horse, steering, moving the load forward, stopping and backing the object, and keeping the harness from slipping or moving around. There will also be free horse drawn wagon rides. The teamsters will be at their trailers to answer any questions after the class. Admission is free. Please plan on bringing your own chair.
